Letter from the Directors

Welcome to Scottsdale School of Ballet. We continue to provide the quality training for which our school has become noted and are proud of our student's accomplishments. We are also delighted with the positive response we receive about our School each year. We recommend that you register at the beginning of the year so you will receive the full benefit of our year long program. Also, early enrollment ensures participation in the Winter and Spring Performances. This year we want to welcome back Tsahai Dias, who taught Modern for us at the old school and welcome our newest ballet faculty member, Daniel Baudendistel. Both have had illustrious careers and you can view their bios on our Faculty page.

Our school features a quality Ballet program taught by an international faculty and although ballet is the primary focus of the school, we have a lot more to offer the dance student. The ballet base encompasses Pointe, Variations, Partnering, and for our males, a mens class. We compliment this program with Flamenco, Russian Character Dance, Modern and Pilates, for a truly accomplished dancer. We also offer an Adult ballet program, for those of you who want to keep the grace and benefits that ballet provides.

Our goal is to instill in all of our students the joy that we experienced as professional dancers. Classes are offered for students ages 4 through adult and are tailored for a pre-professional student but will also benefit a student who wants an easier schedule and to dance on a recreational basis.

As ballet requires continuous training, we strongly suggest that all students attend our Summer Intensive which has a variety of classes not offered to some levels during the regular year. The 2012 Summer Intensive is June 4th through June 22nd as always with guest teachers. In addition we offer to students in the Pre-Professional level, private classes, coaching and preparation for those who will attend ballet competitions throughout the year.

Thank you for your interest in our school and we are looking forward to seeing you at Scottsdale School of Ballet.

Sincerely,

Sibylle Acatos-Dadey and Donald Dadey
